

## **Gagandeep Singh M.D., D.F.A.P.A.**

***Chief Medical Officer***

Dr. Singh joined Mercy Care in September of 2021 as our Chief Medical Officer. He brings over 21 years of clinical experience, including 11+ years in senior leadership roles. Dr. Singh is board certified in Psychiatry, Consultation-Liaison (C/L) psychiatry and Addiction Medicine.

Dr. Singh is responsible for driving improvements for Mercy Care through strategic medical management, quality management, value-based programing, and policy implementation. He provides leadership and direction to medical directors and clinical activities with the goal to advance organizational integrated care efforts and quality of care improvements for members in all six of Mercy Care's contracted lines of business. Dr. Singh builds new and strengthens existing relationships with providers and is the voice for Mercy Care in the Arizona medical community.

Dr. Singh holds a M.B.B.S (Bachelor of Medicine and Surgery) from University of Delhi in India. He is also an Associate Professor at the University of Arizona College of Medicine. He is the president of the Arizona Psychiatry Society and is a Distinguished Fellow of the American Psychiatric Association. He has published several writings in scholarly medical journals and given various medical presentations.
